

## **Ingredient Users:**

### Benefits of Membership:

Ingredient Users Full Members participate in the governance and priority setting of the ISC:

- Participation in the Ingredient User Stakeholder Committee, which deals with issues of interest to the users of stevia. A member of the ISC Board will be present in the Committee to ensure an appropriate liaison between the Committee and the Board.
- Participation at Board Level: Ingredient Users as a category can elect a member to the Board of Directors.
- Voting Rights: The Board member representing the Ingredient Users speaks on behalf of the entire membership category in Board meetings. Ingredient User members are entitled to exercise 15 % of total voting rights at the General Assembly and Leaf Suppliers 10 %. The remaining 75 % are for Refiners.
- Attendance at the Annual General Assembly

Members will receive a valuable benefit package:

- Ability to contribute to formation of Best in Class Industry Standards
- Access to the ISC Stevia Proficiency Testing Program (PTP)
- Accreditation to PTP / Contribute to establish Sustainable Leaf Cultivation Guidelines
- Submission of questions/proposals/issues to the ISC Board and Committees for consideration and response
- Receipt of Member Only Industry Information:
  - Regulatory developments, communication activities, technical activities
  - Industry Forecast and Trends
- Use of the ISC logo, accredited "*member of the ISC*"
- Access to the intranet of the ISC website sections dedicated to Ingredient Users
- Access to ISC members through contact list

### Yearly Membership Dues:

USD 15,000 per year.

Please find attached the Value Proposition and the Subscription Form.
